

Setting up Application Environment

Create Sendgrid Account

Step 1. Navigate to <https://sendgrid.com>

Step 2. Click on “Start for free” and register yourselves by entering required details and click on create account

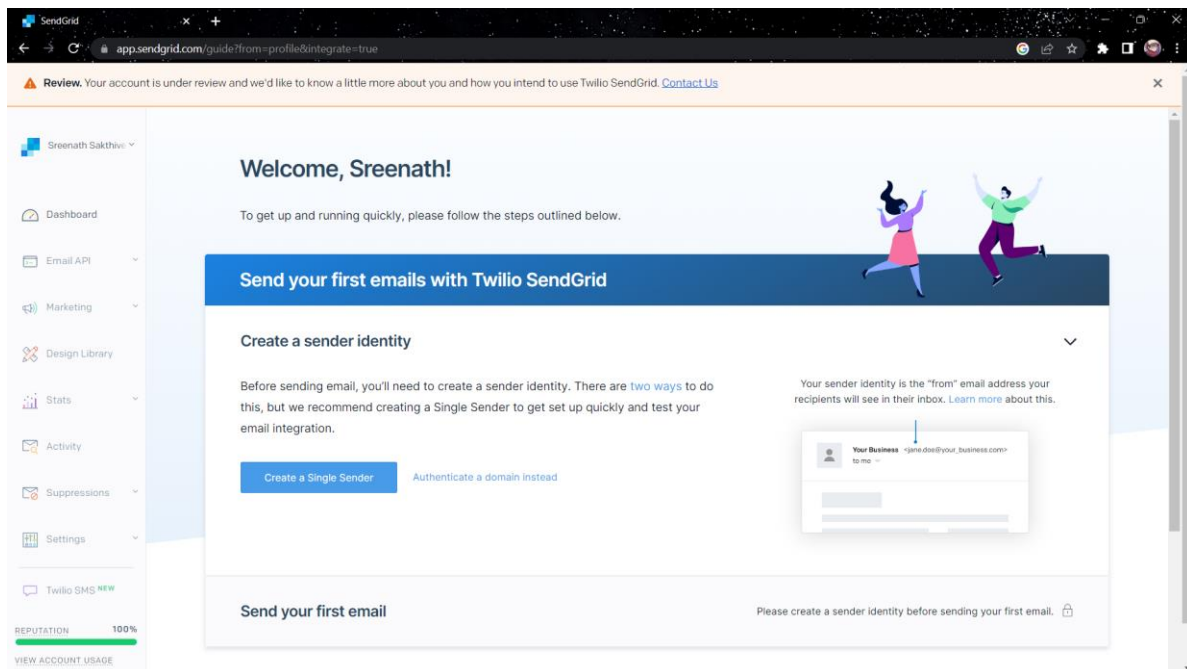

The screenshot shows the 'Let's Get Started' registration page on the SendGrid website. The page has a light blue background with the SendGrid logo at the top. The main heading is 'Let's Get Started' with the subtext 'Sign up for free. No credit card required.' Below this, there are input fields for 'Email Address' (containing 'sreenathsakthivel@gmail.com') and 'Password' (with a strength indicator). A checkbox labeled 'Use email address as username' is checked. Below the password field is a CAPTCHA image and the text 'I'm not a robot'. At the bottom, there is a checkbox for 'I accept the Terms of Service and have read the Privacy Notice' and a blue 'Create Account' button. On the right side, there is a white box titled 'Try it out!' with the text 'Send email for free.' and a list of features: 'Automated drip campaigns', 'Password resets', 'Newsletters', 'Receipts', 'Delivery notifications and updates', and 'Promoted emails', each preceded by a green checkmark. A yellow paper airplane icon is also present.

Step 3. Further fill all required details in next page and click on get started as shown below

The screenshot shows the 'Tell Us About Yourself' account details page on the SendGrid website. The page has a light blue background with the SendGrid logo at the top. The main heading is 'Tell Us About Yourself' with the subtext 'This information will help us serve you better.' Below this, there are several input fields and radio button groups.
